Food is a common ground, a
universal experience.
Our style is unconventional, bold
and detached from any
constraints.
Connecting friends, making new
ones, indulging yourself.
Bottled poetry, dishes to share,
light conversations,
leaning back, inhaling
and arriving in the moment.

That's it, our style.

Q, Asian-Fusion cuisine.
Kimchi meets Coleslaw.
Shiitake, Truffle.
Anything but the ordinary is
awaiting.
A mixture of the unexpected.
Culinary moments that are yet
unknown, yet familiar.
Discovery doesn't require to
travel; only the willingness to
open your eyes and perceiving
something new!

OMAKASE

Asian menus can be quite intimidating. Lots of unfamiliar terms, mysterious ingredients and an overwhelming choice to boot. But not here at Q.

The term omakase means "I'll leave it to you" and is used when the patron leaves it up to the team to decide what to serve.

As a guest, you get to try new dishes and combinations that you might never order yourself.

Sit back, relax and let us do the work, that's OMAKASE; don't forget courage is often just a synonym for happiness!
